ORDER GRANTING INTERVENTION

(Issued February 10, 2004)

On February 5, 2004, Swiss Valley Farms, Co. (Swiss Valley), filed with the Utilities Board (Board) a petition to intervene in Docket No. EEP-02-38. This docket involves Interstate Power and Light Company's (IPL) new energy efficiency plan and various related issues, including interruptible credits. Swiss Valley is a large energy user that purchases electricity from IPL. No objections to the petition to intervene have been filed.

In support of its petition to intervene, Swiss Valley states that it has unique service characteristics at its three facilities in IPL's service territory. For example, Swiss Valley is an interruptible customer with self-generating capability at two of its facilities. Swiss Valley leases on-site generation at the third facility. The petition to intervene will be granted. Swiss Valley has demonstrated a unique interest in this ongoing docket that should be represented.

IT IS THEREFORE ORDERED:

The petition to intervene filed by Swiss Valley Farms, Co., on February 5, 2004, is granted.
